EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application title has been amended as follows:

COMMON USER INTERFACE DEVELOPMENT TOOLKIT FOR A SYSTEM ADMINISTRATION PROGRAM

REASONS FOR ALLOWANCE

- 2. The following is an examiner's statement of reasons for allowance:
- A. The change to drawings submitted December 10, 2004 is accepted.
- B. The response to the Requirement For Information (RFI) has been reviewed.
- C. Claim to domestic priority has been granted.

In reviewing the Applicant's response to the merits of the office action and the response to the RFI. The Examiner notes the following. The Documentation kit labeled A-I were company confidential prior to the filing of the application. The printout K is not considered enabling since no date exists. The disclosure K which applicant maps the claim limitations to secures the domestic priority date. It is perceived that the Applicant acted with diligence in filing the Provisional application.

D. Allowance based on technical merit. The invention is a Common Interface tool for a System Administrative Program with functions of (A-I). The prior art of record although it contains many of the same layouts and flexibility of building Graphical User Interfaces the combination is not deemed permissible under the *substantial evidence* rules (Dickenson v. Zurko, 527 U.S. 150, 50 USPQ2d 1930 (1999).

Applicant's argument's from mid page 13 to page 16 are deemed persuasive.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

CORRESPONDENCE INFORMATION

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Todd Ingberg whose telephone number is (571) 272-3723. The examiner can normally be reached on during the work week.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Kakali Chaki can be reached on (571) 272-3719. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
